

TAKE THE “REALIMYSTIC CHALLENGE-NJ”

On the heels of National Disability Employment Awareness Month (NDEAM), we celebrate successes!

Realimystic: “Dealing with reality in a positive manner”

THE WHAT

When working to improve the lives of individuals with disabilities, we can face some difficult hurdles. With the right approach, open-mindedness and positive attitude, no mountain is insurmountable. It is this trifecta that we call “Realimystic” ~ managing reality in a positive manner. Having seen the “Realimystic” approach in action, we at SWP are challenging others to jump the hurdle and share your success stories in our 1st Annual **Realimystic Challenge-NJ!**

THE WHO

The **Realimystic Challenge-NJ** is open to any New Jersey resident who assists and emboldens individuals with special needs.

THE WHY

Because every individual possesses their own unique super powers. When combined with one’s inherent passion, mountains become molehills and he or she become unstoppable.

THE WHEN

Share your personal “Realimystic” stories from now through November 30th and be a part of our **Realimystic Challenge-NJ**. Winners will be announced on December 6th, recognized on the SWP web site and social media.

THE HOW

Telling success stories has never been easier or more rewarding. Simply use **#SWPRealimysticchallenge-nj** to share how taking the “**Realimystic**” approach to a challenge helped empower an individual with special needs to make a difference in your workplace and their lives. All success stories will be judged by a team of SWP interns and the top three inspirational successes will be awarded:
